What's Happening

Ride to Huntington Lake: We had a great up to Huntington Lake with 6 bikes and 14 members. The weather was perfect for the ride up. We decided to go by way of Big Creek and saw several waterfalls. Our plan was to eat at Captain Jack's near the dam, but it was closed. We ended up eating at Lakeside. The guys said the sandwiches were good. Heading down we stopped at Prather and had ice cream (paid for by the group > \$19.00). The ride home got a little warm but we were home under the air conditioner in no time.
