## What's Happening

**Carmel Valley Ride:** We left Fresno with 7 bikes and one vehicle. A total of 11 members rode up to Carmel Valley on a beautiful fall day. The weather was great. When I finally caught up to the bikes at the end of 198, there were a lot of smiling faces... must of had something to do with those twisties! We took a break in Greenfield then headed to Carmel Valley and lunch at the Running Iron. Leaving there we took Laurelis Canyon Rd. to Casa de Fruta where the group bought ice cream for everyone.

**Friday Night Dessert:** You would not believe the awesome desserts we had to choose from this past Friday night. Ok... so we didn't choose, we had a little bit of all of them! Funny thing, though... it was the guys who baked and the ladies who bought! We had homemade brownies, zucchini squash cake and cherry cheesecake. We had two yummy pies from Marie Calendar's, a tin of beautiful chocolate cookies and everyone took goodies home to enjoy later. Yum! Many thanks to all who were able to come and we hope to do it again one evening.

Happy Thanksgiving
