What's Happening

Candy Cane Lane: We would like to thank everyone who came and enjoyed the Christmas Lights down Candy Cane Lane last night. We had 30 people who came and joined in on the festivities. The food was great and some of the best dessert treats ever! We would like to thank Jerry for opening up his home and to Susie for all of her help. We would also like to thank Curtis for being willing to drive everyone around on the decorated trailer.

Christmas Dinner at the New Cosmopolitan: Plans have been made and the reservation was set for the Valley Riders to once again enjoy the holiday season at the Cosmopolitan Restaurant in Fresno. They have one of the best dinner's around and always so hospitable. The main dish of tri-tip, salmon and chicken marsala was served. All the trimmings including a delicious shrimp cocktail to bring in the holiday season with good friends was the appetizer. We also had the steal a gift exchange. You can also check out all these pictures on our Facebook page.
